Leadership Solutions for a Noisy World

Molly Luffy, MBA, started her career in Human Resources, quickly climbing the ladder and achieving VP status before the age of 30. Molly has mentored business leaders for the last 17 years.

Molly has a gift for quickly connecting with an audience. This creates enthusiasm, motivation and an enhanced learning environment.

Audiences enjoy her presentations and learn skills and strategies that are easy to implement and make a positive impact on both their personal and professional lives.

Molly's keynotes and workshops help mitigate today's work challenges with innovative, easy to apply content that positively influences people and profits.

Topic # 1

"Productive State: Get More Done in Less Time by Shifting Out of Chaos and Into Calm"

Workplace demands have never been more intense and employees at all levels are struggling to find a way to get it all done.

Learning to shift from stress and overwhelm into a calmer, more focused state provides invaluable benefits including better decision-making, enhanced engagement, improved problem solving and much more.

Topic # 2

The Distracted Leader Fix: Finding Time and Focus to Be a Better Leader

Participants will learn:

- The signs and qualities of "distracted" leaders
- The costs to the organization and employees
- How to re-organize thinking and focus around leadership responsibilities and opportunities
- Motivation and inspiration to want to be a more effective leader
- A 3-part easy, yet effective action plan to start leading with intention and purpose

Rave Reviews

I was very excited to offer CALM10™ to my sales team at Columbus Business First. There is actually a difference in the team already in their overall level of focus and drive. I finally feel as if my team and I now have a real tool to build resilience as we deal with our high demand workload.

Katy Burrier, Columbus Business First

Molly did a great job. It was a valuable experience for our staff and I am happy we were able to offer them CALM10™ as a tool to shift their stress on a just-in-time basis.

Dr. David Lee, Chief Medical/Operations Director, OhioHealth Employer Services

I really appreciated the power of learning CALM10™. In just a short time, I was able to feel the benefits for myself and imagine the benefits for my entire organization.

Marti Post, Chief Strategy Officer, Mindset Digital

There aren't many people I clear my schedule for, but Molly is one of them. She is a breath of fresh air in the speaker arena. She's profound, relevant, humorous and always leaves me and the rest of the audience glad they came.

Meredith Liepelt, Founder, Rich Life Marketing

As Managing Director for eWomen Network for several years, I've selected a lot of speakers and Molly Luffy stands out among the top. She will provide your audience with valuable insights and strategies along with a fun and fresh style that keeps them engaged, learning and laughing. I highly recommend her!
